HOLIDAY 2011/12

MOVE OVER FELT KITSCH,
the new must-have classic in holiday décor has arrived.

Think, Victorian home elegance meets boldly colored feminine panache in a gorgeous arboreal display so alluring, you won't know whether to wear it or display it under your tree. Voluminous pouf-skirt layers are complimented by gracefully hand appliquéd floral motifs in contemporary eye-catching colors. Each piece is uniquely composed by master female artists whose absolute attention to detail imbues this haute item with a touch of womanly *connaissance*.

Customized Orders

For those with a particular décor dream in mind, a customized order is the perfect fit. Our customization process begins with a personal design consultation used to inspire and later create the skirt that is just right for you. Keep in mind that all custom orders require one year for turnaround. If you wish to have a holiday tree skirt for this season, our diverse and gorgeous collection will astound you.

Customized options include, but are not limited to:

- Sizing: from miniature to grand.
- Color selections for each: sheer overlay, satin underlay, appliqué, and hem.
- Hem design: straight or scalloped; with or without fringe.
- Personalized decorations: crystal ornaments; specialized embroidery; and more.
